

# ANTON SHAPOSHNIKOV

## UI Developer (React.js)

Remote or hybrid office

Based in Ennis, Ireland (possible relocation inside Ireland)

“

I am developer with 3 years commercial experience in web development. I am considering Front-End developer position with a lot of focus on UI developing. Every day I delve deeper into the study of React, JavaScript and TypeScript technologies.

I am team player, but also I can work independently and make decisions in my area of responsibility. My goal is to constantly evolve professionally, day of day.

”
