LANGUAGES

English - A2 (Pre-Intermediate)

Russian - Native

Ukrainian - Fluent

ABOUT ME

Every day I develop my own projects or study the possibilities of the language. I can work independently in a team. I know a lot, what I don't know - I'll find, what I don't find - I will competently ask my colleagues. I know how to work in a team and really want to develop professionally. Now I am studying React and in the future I would like to work with him.

PROJECTS

My portfolio and more my projects:
